## Introducing OPLIGN — Career Access at Zero Cost

This year we're tackling one of the biggest challenges our members face after graduation or transition; career opportunity and access. UFAMA is excited to introduce a powerful solution called OPLIGN, a zero-cost, fully automated platform that:

- Matches members instantly to internships and jobs from 10,000+ employers
- Uses a data-resume to highlight military skills and experience
- Helps alumni and employers connect directly where 85% of real hiring occurs

- Allows UFAMA-affiliated employers to post roles and immediately reach our network

This partnership directly advances our mission to support, engage, and sustain the success of Gator military alumni. And best of all, it's free for our members. More information and sign-up instructions can be found at our website below under the resources link.
